Yes—Frankenstein is 7 feet tall, in authentic colors on durable polyethelene, and so lifelike you'll probably find yourself talking to him. Won't you be surprised if he answers? Comes complete with eyes that glow even in the pitch dark for a special thrilling chill.
Boney the Skeleton. And then there is Boney—stark scary with nothing left but his bare bones. A 7 foot monster out of the grave—his bones white, his eyes staring—even glowing in the dark.
